24. Some basic requirements of a HIPPY home visitor include:
   A. Knowledge of the community she serves
   B. Good communication skills
   C. A positive attitude
   D. All of the above

25. The ultimate goal of building a positive rapport with parents is to help children learn and grow.
   TRUE   FALSE

MODULE 6: Weekly Staff Meeting

26. Home visit materials should be prepared before the weekly staff meeting.  TRUE   FALSE

27. Reports, signature sheets and home visit schedules should be turned in:
   A. During the monthly staff meeting
   B. During the weekly staff meeting
   C. Before the weekly staff meeting
   D. After the weekly staff meeting

28. What is the purpose of the weekly HIPPY staff meeting?
   A. To organize community activities
   B. To network with staff from other home visiting programs
   C. To complete staff development training requirements
   D. To provide an update on families, discuss problems or issues and review and discuss the next week’s activity packets

29. When should home visitors provide an oral/written report on the progress of their families?
   A. During individual monthly meeting with the coordinator
   B. Only when requested by the coordinator
   C. During weekly staff meeting
   D. After completing all scheduled home visits for the day

30. Round-robin role play is not required during weekly staff meetings, only during site visits.
   TRUE   FALSE

MODULE 7: Role Play

31. The Role play method of instruction promotes an environment which is _____.
   A. Non-threatening
   B. Fast-paced
   C. Lecturing
   D. All of the above
32. In role play, you are not allowed to make mistakes.  TRUE    FALSE

33. In the HIPPY role play flow chart, home visitors role play first with __________.  
   A. A practice child at home  B. Parents at home  
   C. Parents at group meetings  D. Coordinator and other home visitors at a staff meeting

34. In round robin role play, each person gets to take a turn to role play.  TRUE    FALSE

35. In which of the following setting is round robin role play NOT used?  
   A. Parents at group meetings  B. Coordinator and other home visitors at a staff meeting  
   C. Parents at home  D. Parents and children completing daily activities

MODULE 8: Home Visits
36. In HIPPY, the primary purpose of the home visit is ____.  
   A. To work with the child  B. To check that the home is neat and tidy  
   C. To deliver the HIPPY curriculum to parent  D. To help parent with child care

37. A HIPPY home visit is divided into sections. Which of the following is NOT a section of a HIPPY home visit?  
   A. Entrance  B. Staff meeting  C. Exit  D. Role play

38. It is sometimes necessary to obtain parent’s signature for documentation. During what section of a home visit do home visitors obtain signatures? [Note that one of the following is NOT a section of a HIPPY home visit]  
   A. Entrance  B. Staff meeting  C. Exit  D. Role play

39. Role playing the HIPPY lesson with a parent is expected to take up most of the time during a home visit.  TRUE    FALSE

40. Home visitors are not able to build a rapport with parents in their homes. This is normally accomplished in other settings outside the home.  TRUE    FALSE

MODULE 9: Group Meetings
41. In HIPPY, parents are not expected to attend group meetings.  TRUE    FALSE

42. Child care is an essential part of group meetings.  TRUE    FALSE

43. In planning activities for children and group meetings, which of the following would we LEAST likely need to think of?  
   A. Arts and crafts supplies  B. Microphones  C. Refreshments  D. Volunteers

44. When planning activities for children during group meetings, you should consider that children tend to learn primarily in their home language.  TRUE    FALSE

45. While supervising children during HIPPY group meetings, if a child is bitten by another child, you should inform the parent at the end of the meeting.  TRUE    FALSE
