

Introducing Families to HIPPY Home Visiting

FIVE Important Steps to Successful Role Play

Step 1: *Introduce the Packet*

- Review the Tips—paraphrase if possible, or read.
- Mention the full list of supplies and materials needed for the week.

Home Visitor to Parent

Step 2: *Introduce Each Activity*

- Paraphrase if possible, “*What your child will learn from this activity*”, or read.
- Identify the materials required to complete the activity.
- Discuss potential substitute items if the parent does not have the item needed.

Step 3: *Role Play Each Activity*

- Using the Keys to Successful Role Play, complete the week’s activities taking turns as parent and child

Switch Roles as Parent and Child

Step 4: *Discuss How to Apply the Skills to Daily or Common Activities.*

- Discuss “*Things to Think About and Do*” — paraphrase if possible, or read
- Talk about opportunities for practicing the learning in everyday activities or routines

Step 5: *Review of Role Play of Each Activity.*

- Discuss any concerns or potential challenges
- Brainstorm ideas to support parent’s ability to complete activities based on their concerns or potential challenges
