FLORIDA STATE HIPPY TRAININGS 200X-0X

Workshop Survey

Name: __________________________________________________
Title: __________________________________________________
Agency: ________________________________________________
County: ________________________________________________

In order to meet your professional and programmatic needs, please conduct a brief SURVEY with your HIPPY staff of home visitors. Based on the results of your survey, please suggest some workshop topics (below) you wish to have covered during our Regional HIPPY Trainings. Please rank in order of preference with one (1) being most popular. The HIPPY T&TA Center will use the results to guide scheduling of training workshops. Remember, credentialing is an important issue for all early childhood educators.
